

Snowcrest Condominium Owner Association, Inc.

April 11, 2021

FROM: Lora Graves, President

The SCUOA Board met in a Zoom meeting on March 27, 2021. The home owners were invited to attend. The Minutes of that meeting are attached.

Some Highlights of the Meeting:

- The board urges ALL residents, homeowners and guests to wear masks as mandated by the Governor of the state of WV and the COVID 19 task force, except in your unit.
- All homeowners who bring pets to the units, please photograph the pet and forward to George Hurley at 970-846-7751 or skipawww572@gmail.com. We remind you that pets are to be leashed and excrement picked up and placed in receptacles. Bags are supplied for your convenience. We have had guests bring pets who are saying they are homeowners. This is not acceptable and those persons face expulsion from the unit. Please be sure to notify your rental agency and/or guests that only homeowners (not relatives) are allowed to bring their pets into the building.
- We are having difficulty tracking who is supposed to be in the building. Some of the cleaning crews are cleaning late at night past the quiet time. Please furnish George with the company and/or names of the individuals cleaning your unit. Remind them they are to wear masks in the common areas.
