

Snowcrest Condominium Owner Association, Inc.

October 14, 2017

FROM: Lisa Dandelet, President

The Snowcrest Executive Board held an electronic board meeting beginning October 9, 2017 and ending on October 11, 2017. The Minutes of this meeting are attached and will be posted on the website soon. The Board, after consideration of the TV Survey results, the costs involved and our expected increase in costs, decided to approve Bulk TV Option 1. This is essentially the same service we have now with some additional channels. We do have the option of upgrading to HD at some point in the future. It was the general consensus of the Board and the Homeowners attending the meeting that the cost of having HD in the Game Room was not an effective use of our funds. See the attached Minutes for more details.

Also, just a reminder. The Executive Board is scheduled to meet on November 11, 2017 at 9:00 AM in the Game Room. Everyone is welcome to attend.

The Board and I are looking forward to continuing to serve as your Homeowners Association representatives. If you have any questions or issues that you would like for your Board to address, you can contact me as follows:
